

Vision

Student Affairs:
Where Students
Thrive and Matter.

Mission

To enhance an inclusive student experience through holistic programs, services, and opportunities that promote learning, well-being, and community.

Values

The Values represent the Division of Student Affairs's shared beliefs that define, guide, and orient the work and culture of the Division.

Diversity, Equity & Inclusion

Embracing diversity, equity, and inclusion in all forms to create an open, inclusive, and productive environment.

Integrity

Conducting ourselves with honesty and mutual respect.

Community

Fostering growth and development that provides a supportive environment, a sense of belonging, and social connection.

Well-being

Promoting a mindful, wellness-centered, and balanced environment.

Adaptability & Creativity

Adjusting to new conditions and circumstances by providing inventive, efficient and effective solutions.

Pillars

The Pillars represent important long term priorities and the type of work in which The Division of Student Affairs will engage in over the next three years to fulfill the mission. The Pillars are supported by measurable goals.

- 1 Diversity, Equity and Inclusion
- 2 Integrated Student Experience
- 3 Staff Experience

- 4 Strategic Resource Management and Planning
